

TOWN AND GARDENS

Installation Foreman - Town & Gardens, Ltd.

Town & Gardens is a dynamic high-end landscape design-build firm in NYC. Our national award-winning firm is looking for a Landscape Installation Foreman. This position oversees crews working on installation projects in the field.

Experience:

- Outdoor construction, carpentry, and masonry experience.
- Knowledge of rooftop pedestal paving systems a plus.
- Experience in landscape irrigation and low voltage lighting preferred.
- Knowledge of local plants, landscape maintenance, and installation techniques.
- Able to lead, motivate and train field staff.
- Ability to read, interpret and execute installation plans.
- Responsible for job sites and quality control (own the job) and able to troubleshoot, diagnose and solve field issues.
- Able to interpret and fill out all job-related paperwork, including keeping accurate job records related to installation progress, labor hours, materials.
- Must be able to anticipate tool and material needs.
- Use web-based software to document crew hours for each job site throughout the day.

Qualifications:

- Horticulture/Construction degree and/or equivalent landscape experience preferred.
- Valid NY driver's license preferred.
- Able to lift 50lbs and work in all weather conditions outdoors.
- On-site liaison between the client, project managers, and designers.
- Communicate verbally and in writing with project managers, and designers.
- Responsible for the vehicle, field personnel, and any related materials.
- Maintains and keeps all related tools and materials needed to complete daily tasks.
- Able to work up proposals for extra work (with training).
- Proficient in Windows, Word, Excel, and able to learn estimating software.

We offer a competitive salary, benefits, and paid vacation.

Town & Gardens is an Equal Opportunity Employer and a drug-free workplace.

To apply, please email a Resume, Cover Letter, and Portfolio or Work samples if applicable (no larger than 7MB) to info@townandgardens.com - Please put the position you are applying for in the email subject line.
